**HAVE A MERRY CHRISTMAS FROM THE TEAM AT TRT!**

2018 has been a big year for TRT, welcoming our new branch in Christchurch, along with new product lines from JOST, AdBlue and Stemco. We have also launched our new website and are looking forward to bringing you new and exciting things in 2019. Thanks for all of your support and we'll see you in the new year!

- Gavin Halley, National Sales Manager

TRT will be operating shortened hours during the Christmas and New Year period.

## TRT's Safety Belt Checklist

- The webbing should be securely attached to its end fittings displaying no stretching or pulled stitching
- Look for fading as exposure to sunlight can reduce the strength by up to 50%
- Look for plastic burn marks, frayed stitching and any signs of rippling
- The webbing should be flat throughout its entire length

For a full check list visit [trt.co.nz/parts](http://trt.co.nz/parts)

Don't wait for your next COF! Replace your BVL safety belt now with Certified APVS safety belts from TRT.

We are here to help keep you on the road. TRT are agents for APVS seatbelts and we have stock available now for your certified replacement belt.

For more info see the parts section on our website:

## TractionAir Central Tyre Inflation

Forestry, harvesting, spreading, tankers, stock trucks, access equipment and ag work - if your fleet travels off-highway for any reason, TractionAir CTI can improve your performance.

- Better tyre life with optimal pressure on any surface at any speed.
- Reduction in damage to off-highway sites.
- Improved operator safety travelling off-highway with reduced wheel slip.
- Improved site access off-highway with greater traction.
- Reduction in the risk of tyre damage moving between road surfaces.

Call us about your options today!

## PARTS

Did you know we supply complete wheel assemblies, hoses, axle bridges and rotators to suit TractionAir and all other CTI brands.

See our website for more detail.
