TractionAir Central Tyre Inflation

Forestry, harvesting, spreading, tankers, stock trucks, access equipment and ag work - if your fleet travels off-highway for any reason, TractionAir CTI can improve your performance.

- Better tyre life with optimal pressure on any surface at any speed.
- Reduction in damage to off-highway sites.
- Improved operator safety travelling off-highway with reduced wheel slip.
- Improved site access off-highway with greater traction.
- Reduction in the risk of tyre damage moving between road surfaces.
